All Swimmers must be members of the ILDSA:

Membership – Associate	£22
Membership – Full	£45
Membership – second club	£22

We do not seek to generate a profit from North Channel attempts, and any money remaining after relevant expenses have been paid, will be used by the ILDSA to develop the participation of open water / marathon swimming across Ireland.

Fees include Observer Fees, Administration Fee and a Commemorative Medal and Certificate.

Observer fees are £200 each way per observer, and each attempt requires Observer Fees to be paid. (Please note for 2 way attempts if you do not start your return swim you are due a refund of £400 in observer fees).

Administration fees will not be carried forward from one season to another under any circumstances.

Observers fees will only be refunded to the swimmer(s) if the swim fails to go ahead and the Observer(s) are not called. Swimmers must request a refund online completing the relevant form. Refunds will be made within 6 weeks of receipt of request. The closing date for applying for a refund each year is 31st October. The decision by the executive committee on whether a refund is to be paid will be made on all information available and is final.
